

AC Schnitzer STEALTH Exhaust

The brand new AC Schnitzer STEALTH Exhaust with conical silencer body is the clear development of the market-proofed REMUS HexaCone and marks the upper end of the motorcycle high performance silencers. The innovative highlights of the AC Schnitzer STEALTH Exhaust are the carbon outlet cap in combination with a matt black sleeve, the hexagonal design of the outlet cap and the conical silencer body, guaranteeing maximum ground clearance whilst cornering.

The AC Schnitzer STEALTH Exhaust is EC approved and offers in addition to the well known sonorous AC Schnitzer sound a performance and torque increase.
