

Frame Infill Panels

The frame infill panels are supplied as a set of three. One for the left hand side, two for the right hand side. They have a satin-smooth surface finish.

These have been specifically designed to reduce the spray that is thrown up by the back wheel and onto a pillion passengers legs or any installed pillion panniers.

Install Instruction

Doesn't fit for the R1200GS Adventure LC!

Art-Nr.: 240015B

207,90 EUR
