

Side Cases Trekker Dolomiti

DLM36APACK2

DLM36BPACK2

Pair of 36 liters natural aluminium Monokey cases plus a third lock cylinder, all with the same key. Also referred to as pannier system, touring pannier, side cases, saddlebags, hard cases, hard bags.

- Each case has a capacity of 36 litres
- Max. load: 10 kg
- Includes a third lock cylinder for installation in an alternative top case so that all cases have the same key
- To be mounted on PL and PLR side-case holders
- Opening the lid completely could possibly be impeded by the presence of a top case or by parts of the bike. If this happens it is possible to remove the lid using a specially provided mechanism on the case.
- Adapter kit for use with PL / PLR pannier rails included
- Dimensions (LxWxH): 495 mm x 242 mm x 379 mm

In order to mount the side cases you need the correct mounting system.

We offer special inside bags for the Trekker Dolomiti side cases (part number 687637G).

Note: It is possible to retrofit up to three GIVI cases (side cases / top cases) with the same lock, so that only a single key is required to open and close the different cases. This 3-piece lock set can be ordered under item number SL103. The locks must be replaced by the customer.
