

Touring windshield

For long distance rides the Touring series was developed to minimize the windblast against the rider. These screens raise the windblast for several centimeters, allowing the rider to keep a more comfortable position riding the motorcycle.

Also referred to as windshield, windscreen, shield, screen.

With homologation!

540 x 415mm (HxW)

Install Instruction

For BMW F800GS (2024-) models with OEM sports windshield (see picture 4).

In picture 5 you can see the hole spacing of the OEM sports windshield. Please compare these dimensions with your motorcycle.

ATTENTION: BMW F800GS (2024-) is also available with a higher original windshield. In this case, this touring screen does not fit and you must order article 9759W / 9759H / 9759F instead.
