## **Touring windshield**

For long distance rides the Touring series was developed to minimize the windblast against the rider. These screens raise the windblast for several centimeters, allowing the rider to keep a more comfortable position riding

Also reffered to as windshield, windscreen, shield, screen.

With homologation!

the motorcycle.

540 x 415mm (HxW)

## Install Instruction

For BMW F800GS (2024-) models with OEM sports windshield (see picture 4).

In picture 5 you can see the hole spacing of the OEM sports windshield. Please compare these dimensions with your motorcycle.

ATTENTION: BMW F800GS (2024- ) is also available with a higher original windshield. In this case, this touring screen does not fit and you must order article 9759W / 9759H / 9759F instead.
