

Carbon Rear Hugger

Made of high quality carbon fibre and provides ultimate protection for the rear shock absorber! Spend less time cleaning, more in riding!

Fits for BMW S1000XR (2020-) & M1000XR.

Also referred to as rear hugger, rear fender, rear splash guard, mud guard, mud protection

The mudguards were developed and tested with standard road tires.

Tires with very high edges or extremely knobby tires can cause impairments.

The mudguards are not suitable for off-road use.
