

## Touring windshield for original mounting

**20889H**

For long distance rides the Touring series was developed to minimize the windblast against the rider. These screens raise the windblast for several centimeters, allowing the rider to keep a more comfortable position riding the motorcycle. The windshield comes with a windshield mount.

Also referred to as windshield, windscreen, shield, screen.

455 x 320 mm (HxW)

Install Instruction

You need the original BMW windshield mounting (46638393613) for the installation!
