

Touring windshield for original mounting

20889H

For long distance rides the Touring series was developed to minimize the windblast against the rider. These screens raise the windblast for several centimeters, allowing the rider to keep a more comfortable position riding the motorcycle. The windshield comes with a windshield mount.

Also referred to as windshield, windscreen, shield, screen.

455 x 320 mm (HxW)

Install Instruction

You need the original BMW windshield mounting (46638393613) for the installation!
