

Digital tire pressure gauge

This small and handy digital air pressure gauge enables the tire pressure to be checked conveniently and precisely.

- Measuring range 0.35 - 7.00 bar
- Display options in bar, PSI, kPA, kg/cm²
- Tolerance +/-1 PSI / 0.07 bar

Important note: Incorrect tire pressure can increase fuel consumption, lead to increased tire wear and impair driving safety!

Art-Nr.: 72101

11,90 EUR
