

Tail bag X-Line

Tail bag X-Line (1 piece), volume of 40 litres

This tail bag with 40 liters of storage space attaches to the bike using a Monokey bracket and has a removable waterproof inner bag to take everything you need off the bike without having to unclip the tail bag. Two easily accessible side pockets, the double straps for additional luggage (e.g. soft shell or rain jacket) on the top, the mesh pocket on the back, the shoulder strap and the handles make the tail bag a reliable companion on all motorcycle trips. The reflective inserts ensure better visibility of the motorcycle in bad weather.

Dimensions: 45 x 35 x 30 cm

Maximum load: 5kg

- 1200D W/R polyester
- TPU and nylon
- 1680D PU coated polyester
- Highly UV-resistant exterior materials (UV TESTED 1,500 hrs.)

In order to mount the tail bag you need the correct mounting system (see part no. E183).
