

## Tankbag XL04

TANKLOCK tank bag XL04, expandable from 15 to 20 liters, X-Line

Materials:

- High-strength 1200D W/R polyester and inserts in TPU
- Thermoformed cover and case base
- Outer material with high UV resistance

Equipment:

- Map pouch with quick hook-on/hook-off and magnet (Fidlock®), water-repellent, waterproof rating IPX5 (resistant to heavy rain and extreme conditions)
- Removable water-repellent inner bag, waterproof rating IPX5 (resistant to heavy rain and extreme conditions)
- Water/moisture drainage holes in the bottom of the bag
- External pocket independent of the main compartment
- Cable output port compatible with the Givi Power Hub charging system
- Compatible pullers for attaching a safety padlock (not included)
- Safety strap for attaching to the handlebars
- Shoulder strap for carrying on the shoulder
- Handle for transport
- Reflective inserts for better visibility

The handlebars should be turned upwards by 10° so that the handlebar controls are not pressed against the tank bag with full steering angle.

You need tankbag mounting BF17 to mount this tankbag (does also fit with Keyless Ride).
